Chaos is a 1-yr-old neutered male pit mix. His ideal home would have no other animals or kids because this guy is large and in charge! Because

of that, he will need someone who can handle his strength. He is very puppy-like and will need training, but he has his basic commands now because he is very treat motivated. Come down and meet this boy with a giant smile!

After six months, the introductory rate will convert to a variable APR based on predetermined margins at or above the prime lending rate as published in The Wall Street Journal and may vary monthly but will never go below a floor rate of 3.74%. As of 4/5/2021 the APR ranged from 3.74% to 5.25%. **Non-introductory rate requires an 80% or less Loan to Value (LTV) and proceeds cannot be used to pay off existing City National Bank real estate-secured debt. The APR may vary monthly but will never go below a floor rate of 3.74%. This offer is for a secured home equity line of credit and your residence is the collateral. Maximum Loan to Values (LTVs) of 89%. Your home must be a single-family, owner-occupied residence. Manufactured homes do not qualify. Hazard insurance is required. Flood insurance may be required. Offers not available to existing City National Bank real estate-secured loan customers. Maximum APR is 18%. \$50 annual fee waived for the first year. Early payoff fee equal to 1% of the credit balance of the credit agreement or \$250, whichever is less, if the line is closed within 12 months of opening. Applicable recording taxes will apply. A payment of principal plus interest will be required after initial draw period.

Hamrick's Sudoku!

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle! (Answer in back.)

During the month of October, we are giving away **FREE** quality brake pads or shoes. All you pay for is labor and any other necessary parts. 10% of these proceeds will go towards research for the Cleveland Clinic Breast Cancer Vaccine Fund.

Our group of auto repair shops from across the country have a set a goal to raise over \$1,000,000 in proceeds! This fundraiser will end October 31st.

This past year we had 183 shops in 35 states and 2 countries and raised \$250,102.79. Since 2011 we have raised \$1,192,034.12, thanks to the support of shops and the vendors like yourself who have been there to support us.

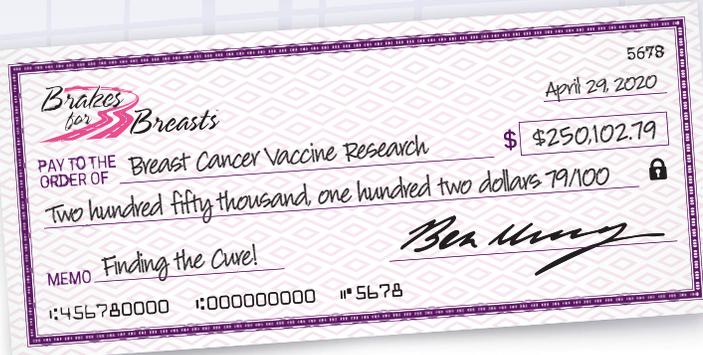

Last year alone, 114 independent repair shops across 34 states raised \$114,389.20.

Our goal this year is to have 200 shops participating. After 14 long years we are very close to bedside trials, hopefully by the end of 2021.

Brakes for Breasts is run solely by volunteers and supported by the independent auto repair community across the country. It is a true grass roots effort, with every penny being donated to research.

P.S. Please pass this along to all of your friends! We need everyone's support.

Thanks!!!

Bill and Sandy
